YTZ Mounting Angle
Because of their unique spill proof design, Yuasa YTZ batteries can be installed under multiple mounting angles as explained below.

YTZ series	Mounting Angle		
	a°	b°	c°
YTZ7S	40	90	15
YTZ10S	40	90	15
YTZ12S	40	90	15
YTZ14S	40	90	15

TTZ Mounting Angle
TTZ batteries cannot be installed under the same angle as YTZ batteries. The mounting angles for TTZ batteries are limited to the below angles.

Mounting Angle		
a°	b°	c°
30	20	20
30	20	20
30	20	20
30	20	20
